

## **How to Withdraw from the Volunteer Program**

If you wish to withdraw from the Volunteer Program, please notify your direct supervisor and also the Volunteer Services Manager.

Your volunteer ID card, name badge and parking sticker(s) should be returned to the Volunteer Office or to your supervisor.

If circumstances change, and you wish to rejoin the volunteer program, please contact the Volunteer Office. We would be pleased to discuss opportunities currently available.

Sally Kutyla, Volunteer Services Manager
